

**ARCHIVED VIDEOS:  
"APPLYING DIFFERENTIATION STRATEGIES"**

The District provides professional development opportunities related to gifted education to administrators, teachers, and staff to support and improve educational opportunities for gifted students (EC 52212a1). The following archived videos entitled, "Applying Differentiation Strategies," are being offered. Each strand on differentiation is appropriate to a specific grade level. Participants can watch the video and receive one (1) hour of professional development credit. A printable certificate will be available at the end of the video.

Please attach the certificate to the Professional Development Record which is accessible through Inside LAUSD under "Templates and Forms". Click on the link below:
