

INTEGRATED STUDENT INFORMATION SYSTEM

CENSUS AND STUDENT MODULES ARE COMING TO ALL ELEMENTARY AND SECONDARY SCHOOLS IN 2013!

Rollout

Schools & Schedule

- Elementary schools: Spring 2013
- Secondary schools: Fall 2013

Modules

New Functionality

- **Census:** organizes demographic information by households or families
 - ➔ Allows input and maintenance of birth date, dwelling/address, primary language, parents/caretaker, and race/ethnicity
 - ➔ Provides view-only information of meal codes, American Indian, Migrant, transportation
- **Student:** manages student enrollment and withdrawal
 - ➔ Supports Groups administration (e.g., athletic eligibility, field trips, etc); batch attendance processing
 - ➔ Displays student school/district level enrollment history, Title I, permits, GATE, and Homeless information
 - ➔ Records student English Learner information

Report

Documentation

- Census and Student modules support many reports for school and central office use, including:
 - ➔ Census: Meal Program Roster, Homeless Student Roster, Missing Fields Report, and more
 - ➔ Student: Elementary Alpha Roster, House Roster, Student Transfer Form, Labels, athletic eligibility reports, and more
- Check the Census and Student webpages for further information:
 - ➔ Census: <http://isis.lausd.net> -> For Schools -> Elementary or Secondary -> Census link
 - ➔ Student: <http://isis.lausd.net> -> For Schools -> Elementary or Secondary -> Student - Enrollment link
