DATE: June 2, 2020

PURPOSE: The purpose of this memorandum is to provide information to administrators regarding the required organization meetings for the 2020-2021 school year.

MAJOR CHANGES: This version replaces MEM-6875.3, *Administrators' Organization Meetings for the 2019-2020 School Year*, dated July 23, 2019. The revised version includes up-to-date information on meeting times/locations, and names of presidents and sponsors for various organizations.

Organization meetings are designed to provide administrators with current information critical to their areas of responsibilities, as well as, provide an opportunity for District leadership to engage and collaborate in professional development that will enhance skills and build capacity at the school site level. School site administrators are expected to attend all required organization meetings.

Central office sponsors will work with organization presidents and the respective boards to create the agendas for the required meetings with the following goals:

- Create a culture of learning and support
- Build a universal knowledge base and provide resources for administrators to implement the L.A. Unified goals and achieve the student outcomes as outlined in the Local Control Accountability Plan and Single Plan for Student Achievement goals
- Provide time for administrators to network and receive timely information about District initiatives

Organization sponsors will send meeting notices and reminders for the required meetings. Organizations presidents will send notices and reminders for non-required meetings.
