TITLE: Child Abuse Awareness Training (CAAT)
and Resources

NUMBER: MEM-6338.6

ISSUER: Zsuzsanna Vincze, Interim Administrator of Operations
Division of District Operations

DATE: August 28, 2019

ROUTING
All Employees

PURPOSE: One of the District's top priorities is to ensure the safety of our students. It is the policy of the L. A. Unified that all employees shall report instances of suspected child abuse or neglect. The annual Child Abuse Awareness Training (CAAT) is designed to assist employees to better identify and report suspected child abuse. The District has resources available to address reporting of suspected child abuse and conducts trainings throughout the school year to reinforce these resources and comply with legal mandates.

The annual training is part of the District-wide initiative to ensure that all District employees clearly understand their duty to protect our students, and their individual responsibility as mandated reporters of suspected child abuse. The training also certifies that employees understand their responsibilities in reporting suspected child abuse.

After completing the training, employees will be aware of the suspected child abuse reporting requirements which include, but are not limited to:

- How to file a report of suspected child abuse and with what agency
- How they are protected when filing a report
- What happens after filing a report

MAJOR CHANGES: This Memorandum provides an update to the mandated L. A. Unified Child Abuse Awareness Training and Resources, and replaces Memorandum MEM-6338.5, "Child Abuse Awareness Training (CAAT) and Resources," issued on January 11, 2019, by the Division of District Operations.
