PURPOSE: The purpose of this reference guide is to provide guidelines for the 2022-2023 school year for the issuance of the California Department of Education (CDE) State Seal of Civic Engagement.

On September 10, 2020, the State Board of Education (SBE) adopted criteria and guidance to award a State Seal of Civic Engagement (SSCE) to California students who demonstrate excellence in civics education and participation, and an understanding of the United States Constitution, the California Constitution, and the democratic system of government.

On April 14, 2021, the Los Angeles Board of Education voted unanimously to establish an advisory committee tasked with developing specific criteria for Los Angeles Unified students to earn the State Seal of Civic Engagement. This seal is an incentive for high school students to encourage their active and ongoing participation in issues of public concern.

This seal will symbolize students' achievement of civic engagement skills, knowledge of democratic concepts and processes, and participation in projects that address the needs and challenges in their communities, empowering students to use their voices to be change agents and make positive contributions to a democratic society.

MAJOR CHANGES: This reference guide replaces Reference Guide 116303. Submission dates for the CDE State Seal of Civic Engagement have been updated for 2022-2023.

INSTRUCTIONS: I. HIGH SCHOOL (GRADES 11 AND 12) CDE STATE SEAL OF CIVIC ENGAGEMENT (SSCE)

Students in grade 12 are eligible to receive the State Seal of Civic Engagement from the CDE; however, documentation of requirements can be collected as soon as the 11th grade.

A. Selection of a Civic Engagement Award Committee

Each school site establishes a Civic Engagement Award Committee (CEAC) and a committee lead. A CEAC in high school might include social studies teachers, department chairpersons, student representatives, parents, counselors, college counselors, school site coordinators, site administrators, or designees.

The CEAC lead serves as the point-of-contact with the Social Studies Coordinator in the Division of Instruction and supports the committee. The CEAC lead may access all required forms and supplementary documents in the Schoology group.

The school-site CEAC's responsibilities include the following:

1. Observe the key dates for program implementation listed in the Schoology Group, CDE Seal of Civic Engagement Awards, Access Code: **RWQX-P4GH-SJZC8**.
2. Disseminate CDE State Seal of Civic Engagement information to students, parents, and teachers.
3. Verify that students have met all the criteria.
4. Email the respective forms/rosters to Kielely Jackson, History/Social Science Coordinator, kjack2@lausd.net, by **Monday, May 1, 2023**, identifying the students who have earned the CDE State Seal of Civic Engagement.
5. Designate appropriate school staff to affix self-adhesive seals on student diplomas prior to issuing the diplomas.
6. Include a CDE State Seal of Civic Engagement recognition in an appropriate public ceremony (e.g., graduation ceremony, printed graduation program, senior dinner, senior awards ceremony, etc.) to recognize award recipients.

C. Submission of Student Nomination Forms

The CEAC lead submits the Student Nomination Form to Kielely Jackson, kjack2@lausd.net, by **Monday, May 1, 2023**. The History/Social Science Coordinator will submit the insignia request to the CDE office on behalf of all schools. Faxes and roster PDFs are not accepted and will be returned, thus delaying processing and delivery of award materials to the school site.

D. Presentation of Awards to Students

1. After the Student Nomination Forms have been submitted, the CEAC lead notifies award recipients and arranges for students to be recognized in an appropriate ceremony (e.g., graduation, senior dinner, senior awards ceremony), including a special mention in the graduation ceremony program. Leads should also distribute the honor cords to students who have earned the seal.
2. Students receiving the CDE State Seal of Civic Engagement should wear their honor cords during the graduation ceremony.
