PURPOSE: The purpose of this Reference Guide is to outline the 2016-17 California English Language Development Test (CELDT) training requirements for principals and CELDT Coordinators, to provide the procedures for identifying the schools' CELDT Coordinators, and to outline the procedures for submitting the required test security forms.

MAJOR CHANGES: New requirements for authorizing the release of CELDT materials to schools.

- Principal will electronically submit *2016-17 CELDT Test Security Agreement* and *Affidavit* and designate a CELDT Coordinator in the *Principal's Portal*.
- CELDT Coordinator will participate in the *2016-17 CELDT Test Security Training* and complete the assessment from the Learning Zone.
- CELDT Coordinator will submit signed copies of the *2016-17 CELDT Test Security Agreement* and *Affidavit* at the Local District CELDT training for CELDT Coordinators, presented by the Local District English Learner Program staff.

GUIDELINES: I. BACKGROUND

State and federal law require Districts to administer a state test of English Language Proficiency (ELP) for: (1) newly enrolled students whose primary language is not English as an Initial Assessment, and (2) students who are English learners as an Annual Assessment. The current state assessment is known as CELDT.

The CELDT has three purposes: (1) to identify students who are limited English proficient, (2) to determine the English Language Proficiency level, and (3) to assess the progress of English Learners (ELs) in acquiring the skills in listening, speaking, reading, and writing in English.

II. REQUIRED CELDT SECURITY FORMS

Prior to the delivery of CELDT materials to schools, the District is required by the California Department of Education (CDE) to obtain signed *CELDT Test Security Agreements* and *Affidavits*. This year, principals and CELDT Coordinators must meet the new requirement for authorizing the release of test material as outlined in Section II of this document.

1. Principal's Test Security Forms

Principals are required to complete the *2016-17 CELDT Test Security Agreement* and *Affidavit* online by logging into the State Testing Program Requirements section of the *Principal's Portal*. Principals are also required to identify their CELDT Coordinator in the *Principal's Portal*. The *Principal's Portal* will automatically display information entered and display the status of the requirements for both principal and CELDT Coordinator. See Section V of this document for procedures on how to enter information in the *Principal's Portal*.

Principals at schools that do not have access to the *Principal's Portal* will need to fax both of the security forms for the principal and the CELDT Coordinator to the Student Testing Branch at (213) 241-8461. See Attachments A and B for a copy of the CELDT security forms.

2. CELDT Coordinator's Test Security Forms

Once a staff member has been identified in the *Principal's Portal* as a CELDT Coordinator by the principal, that person will automatically be enrolled in the *2016-17 CELDT Security Forms Training* and the *2016-17 CELDT Administration Instructions Training* in the Learning Zone.

Prior to the delivery of CELDT materials CELDT Coordinators are responsible for completing the *2016-17 CELDT Security Forms* training in the Learning Zone. After viewing the presentation, the CELDT Coordinators must complete the online assessment. The assessment contains all the conditions listed on the test security forms; therefore, successfully completing the assessment is an acknowledgement of the test security requirements. In addition, CELDT Coordinator will submit signed copies of the *2016-17 CELDT Test Security Agreement* and *Affidavit* during the Local District CELDT training for CELDT Coordinators, presented by the Local District English Learner Program staff. These requirements must be met before the District can authorize the release of the CELDT materials to the school.

III. Delivery of Materials

CELDT materials are scheduled for delivery starting the week of August 15th if the following has been completed:

- Principal’s security forms (Agreement and Affidavit) electronically submitted through the *Principal’s Portal*.
- CELDT Coordinator identified in the *Principal’s Portal*.
- CELDT Coordinator completes the CELDT security forms requirement as stated in Section II of this document.

Deliveries will be scheduled on a weekly basis and prioritized based on certification date. After certification is completed it will take 3-5 business days to deliver materials to schools. See schedule listed below.

IV. 2016-17 CELDT TRAINING REQUIREMENTS

Principals and CELDT Coordinators are annually required to participate in CELDT District trainings. The trainings will provide information and correct procedures for administering the 2016-17 CELDT Edition. An online assessment must be completed after completing the training to receive a certificate of completion. The District maintains a record of those who complete the trainings at each school.

A. Principal’s Training Requirement

Principals are required to complete the *2016-17 CELDT Administration Instructions Training* which provides test administration guidelines as well as the before, during, and after testing responsibilities for the school. The training must be completed before testing begins.

B. CELDT Coordinator’s Training Requirement

The District will provide three mandatory CELDT trainings for CELDT Coordinators.

1. *CELDT Test Security Forms Training*

This online training has been developed for CELDT Coordinators to complete the *CELDT Test Security Agreement* and *Affidavit* forms

LOS ANGELES UNIFIED SCHOOL DISTRICT REFERENCE GUIDE

through the Learning Zone. It presents a detailed look at the test security forms. The *CELDT Test Security Forms Training* must be completed before the District authorizes the release of CELDT materials to the school.

2. *2016-17 CELDT Administration Instructions Training*

This online training is a comprehensive training that covers test security; test administration procedures; CELDT Coordinator's responsibilities that occur before, during and after testing; scoring of the Initial Assessment; and packing and returning of the scorable materials. The training must be completed before testing begins. These trainings will be available on the Learning Zone by July 21, 2016.

3. *2016-17 Training for CELDT Test Examiners*

All CELDT trainers and test examiners must be certified each year to administer and score the CELDT. This training is offered through the Multilingual and Multicultural Education Department (MMED). Local District EL Program staff will schedule and announce training dates and locations. Participation in this training is required in order to receive certification.

The CELDT Coordinators will be trained on the facilitation of Part I and Part II of the 2016-17 CELDT Training. In addition, coordinators will receive training on guidelines for handling testing irregularities, security breaches, and strategies for school logistics.

Upon completion of these three required trainings, coordinators will then work with their school administrator to schedule the required school staff training for test examiners and proctors. A CELDT Staff Training Agenda has been created to assist schools to ensure that test examiners, proctors, and staff members that have access to CELDT materials are trained on test security, testing irregularities, security breaches, and school logistics.

The sample agenda is located in the *2016-17 CELDT Administration Instructions*. The document can be found at the STB CELDT Webpage at <http://achieve.lausd.net/Page/7583>. The *2016-17 CELDT Administration Instructions* is located in the CELDT documents section.

For auditing purposes, schools are required to maintain evidence of the documentation by providing CELDT training agendas, staff sign-in sheets and make-up training sessions. These documents are to be submitted to the testing center during the first turn-in of Initial CELDT materials on

September 21, 2016.

C. CELDT Support Sessions

The CELDT Support Sessions are face-to-face voluntary meetings to provide CELDT Coordinators additional support with the CELDT program. Dates, times, and registration information will be announced in a Student Testing Branch Update. At these sessions, the following topics will be covered in a question and answer format to address individual needs.

- How to access CELDT reports from MiSiS
- Completing Testing Materials Verification documents
- Using the Local Scoring Tool
- Generating rosters for students tested
- Completing demographic information on CELDT Answer Books
