Secondary Principals
Secondary Assistant Principals
School Administrative Assistants
Secondary Health Teachers

DATE: February 20, 2020

PURPOSE: The purpose of this Memorandum is to inform secondary principals and lead health teachers of the 2020 School Health Profiles Survey. Completion of the biennial survey is required by cooperative agreement with the Centers for Disease Control and Prevention (CDC). The survey has been in place since 1994. The survey will identify what policies and activities currently exist at school sites, and serves to guide future professional development, program improvement, and allocation of resources.

MAJOR CHANGES: New date for the 2020 survey implementation and contact information.

INSTRUCTIONS: Each principal, or designee, and lead health teacher is to complete the survey which is related to health policies and activities at their school site.

The HIV/AIDS Prevention Unit will oversee the internal dissemination plan of the survey to the secondary schools. The surveys will be distributed to the schools beginning February 21, 2020. The completed surveys are due back by April 6, 2020 via school mail:

LAUSD - Health Education Program
HIV/AIDS Prevention Unit, Floor 25
333 S. Beaudry Avenue
Los Angeles, CA 90017
Attention: Timothy Kordic

In order to avoid disruption of school time, teachers will be compensated one-hour prep time at the \$25 hourly training rate for completing the survey outside of the workday. A payment voucher will be provided to the teacher after the survey is returned to the HIV/AIDS Prevention Unit.
